Address: _____

Phone Number: _____

Address of Demolition Structure: _____

Date Submitted: _____

Chairperson Prior Approval: _____ Date: _____

Utility Service Inspection: _____ Date: _____

Final Inspection: _____ Date: _____

Receipt Total _____ Amount Reimbursed _____ Date Paid _____

1. The City will reimburse a property owner up to \$1500.00 for landfill fees to a licensed waste facility, this is roughly 35% of the average fees for a 1200 square foot building. Copies of the paid receipts must be submitted to Bushnell City Hall for reimbursement including the Committee project approval request. The City of Bushnell will only reimburse up to \$1500.00 of the cost of dumps fees to a licensed facility, fees less than \$1500.00 will only be paid for the amount that was spent to dispose of the structure as per the receipts from the licensed facility.

2. The property owner must complete an approval request form at Bushnell City Hall prior to the demolition taking place and have that request approved by the Street and Alley Chairperson prior to any demolition. If form is not completed or approval has not been granted the City of Bushnell will not provide reimbursement of waste fees to the property owner.

3. The property must be located within Bushnell City limits, the request must be submitted by the property owner or custodian of the property that the demolition is to be completed on. The structure being demolished must be at least 300 square feet in size. All structures on a city lot that meet the criteria are eligible but a maximum amount of \$1500 is all that will be reimbursed regardless of the size or numbers of structures on that lot. This is a onetime reimbursement for a City lot once used that lot is no longer eligible for future reimbursement.

4. During demolition all Utility services must be properly capped and sealed and inspected by the Utility manager or their designee prior to covering those services. After demolition

the area must be cleaned of all debris and area leveled off and inspected by the Chairperson of the Street and Alley Committee prior to reimbursement.

5. Payment will be received within 30 days after submitting paid receipts from a licensed waste facility to Bushnell City Hall.

6. The City of Bushnell will only reimburse towards the waste fees for the property on the submitted application, anyone found to be disposing of waste other than the submitted property will not be reimbursed for dump fees and will not be allowed future participation in the program.

7. Reimbursement fees will be paid out on a first come first serve basis until the amount budgeted for demolition in the current City of Bushnell Budget has been used. Projects after that will require Bushnell City Council approval prior to demolition.
