**APPLICATION FOR CONCRETE SIDEWALK  
REIMBURSEMENT**

**Date:**

Name:

Property Location:

Sidewalk Length:

Sidewalk Width:

Depth of concrete to be poured (4 inch minimum):

Contractor or homeowner performing work?

Provide a brief description of the sidewalk to be replaced, reason for replacement:

Provide a sketch of the sidewalk to be replaced in reference to the property and/or any buildings on the back side of this application. In order to be considered for reimbursement application must be completed before any work begins, City personnel must also inspect the site before work begins. If approved, City personnel will inspect the site after completion as well before any reimbursement is released. Reimbursement will be for concrete only, no labor or other materials included. A receipt from the concrete company with the price per yard of concrete and yards delivered must be presented to City Hall upon completion of the project.

Please return application to City Hall when completed.
